To these three medicines Dr. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulme mary diseases. The pulmonic syrup ripens the morbid matter in the lungs; nature throws it off by an easy expectoration, for when the phlegm or matter is ripe a slight cough will throw it

off, the patient as rest, and the lungs begin To enable the pulmonic syrup to do this nck's mandrake pills and Schenck's seaweed tonic must be freely used to cleanse the stomach and liver. Schenck's mandrake pills act on the liver, removing all obstruc-tions, relax the gall bladder, the bile starts freely, and the liver is soon relieved. Schenck's seaweed tonic is a gentle stimu-lant and alterative; the alkalie of which it is composed mixes with the food, and prevents souring. It assists the digestion by toning up the stomach to a healthy condition, so that the food and the pulmonic syrup wil

make good blood; then the lungs heal, and the patient will surely get well if care is taken to prevent fresh cold. All who wish to consult Dr. Schenck, either rsonally or by letter, can do so at his prinipal office, corner of Sixth and Arch streets, Philadelphia, every Monday.
